# QUOTES FROM RESIDENTS

“The Hannah Center has impacted my life in so many ways. One of the biggest impacts has been the life skills they have taught me. From positive communication skills, cooking, budgeting and healthy relationships. Without the HC I would have continued to do life the same way, with no progress or success in my future. They provide transportation so that I can go to work and attend all my appointments. This allows me to maintain a positive state of mental health and continue to focus on my recovery with my counselors and doctors. “

“The Hannah Center has given my son and I a home. They have taught me to look at life with a different perspective. One of the most impactful things the HC has done for us is building a team of positive supports around us. The HC has given me the time and resources to focus on my recovery.”

“The Hannah Center has impacted myself and my son in many ways. They have focused on helping me to build a strong foundation for myself and my child by teaching me to re-frame my thought process and change my perspective in so many areas of my life. The Hannah Center has taught me to appreciate me for who I am and that I have a future full of success. The Hannah Center has given me the confidence I need to move forward with my life”. –  
Hannah Center Resident

“The Hannah Center is the reason my daughter and I can live every day. Without the HC, I couldn't give my daughter a bath, feed her or lay her down in a warm bed each night. Without their support and love, we would be homeless, and I would not have made the choice to be the parent I am today.” – Hannah Center Graduate

# How Do You Donate?

- One Time Monetary Donation
- Monthly Donations
- Fund Raisers
- Volunteer
- In Kind Donations

**\*\*All monetary donations are tax deductible**

Thank you!
